Last Updated Thursday, 08 October 2009

SGAS Northern Ireland Ltd thanks you for your valued custom over the years and would like you to know that our success is not only based on trying to deliver the best for you continually through improvement, but also the trust you, our clients put in our services and ability.

Thank You.

The team at SGAS Northern Ireland Ltd is now the best we have had since the companies inception. We will continue to stay ahead of the rest and give you our customers, clients and friends the best possible training and assessment provision available. We are now back to the 5 year cycle for this region, which means we are looking forward to welcoming back old acquaintances as well as meeting new ones.

Also, the need to look forward to expiry dates has never been so important. We are now taking bookings for the remainder of 2009 and the first six months of 2010, with deposits for confirmation and no price increases, even though our operational costs in the last two years have risen by 25%.

The endeavour to keep prices stable has been our goal for the last five years. We will give a commitment to maintain that ethos throughout the coming year.

If you have any training or assessment needs in the next six months to a year, then please contact us as soon as possible.

Bob Darlow

Director
